-

EXPERIENCE

UX Writer, Culangex
Remote

December 2024 – January 2026

- Collaborated with cross-functional teams to co-author a comprehensive style guide that ensured consistent brand voice and met WCAG accessibility standards.
- Partnered with the agile development team to manage UI text and ensure seamless content integration throughout the software development lifecycle.
- Served as a key member of the Spanish localization team, translating user-facing content to position the product for a successful launch in Spanish-speaking markets.

Freelance Technical Writer

April 2024 – Present

Remote

- Owned the full documentation lifecycle for developer-facing projects, delivering API references and SDK guides for cloud data routing architectures, including third-party observability integrations for platforms like Datadog and Galileo.
- Documented TypeScript SDK methods and logic for the Sui blockchain platform, producing tutorials with working code examples.
- Validated REST API endpoints using Postman for testing, enforced style guides with Vale, and managed OpenAPI specifications for documentation projects.
- Integrated AI translation tools into CLI pipelines to implement automated internationalization workflows.

Technical Writer, Felix Storch, Inc.,
The Bronx, NY

March 2022 - February 2024

- Managed the release cadence for 5 distinct brands, owning the end-to-end lifecycle of over 150 original and legacy manuals.
- Designed and implemented new document templates, successfully reducing manual production times by 40%.
- Improved product support and accessibility for LATAM markets by translating more than 25 technical documents into Spanish.

Freelance English Tutor

November 2014 - March 2022

New York, NY

- Educated and guided students in mastering fundamental writing mechanics and comprehending complex texts, utilizing targeted mini-lessons to clarify challenging concepts and address individual learning needs.
- Systematically monitored student performance and provided constructive feedback, demonstrating a pedagogical approach directly applicable to leading contributor training and ensuring documentation quality.

Journalist, The Borgen Project

June 2020 - January 2021

Remote

- Researched and published 15+ high-impact SEO-optimized articles on international poverty and humanitarian policies.
- Conducted in-depth interviews with experts, enhancing the credibility and depth of articles.
- Optimized content for SEO, resulting in a 30% boost in article visibility and engagement.

Trade Editorial Intern, W.W. Norton & Company

January 2019 - April 2019

New York, NY

- Drafted and edited marketing materials for 10+ published works.
- Coordinated with authors and vendors to ensure the timely delivery of promotional materials.
- Assisted senior editors in line-editing manuscripts, reducing review cycles by 25%.

Media Services Technician, New York City College Of Technology

February 2015 - January 2016

Brooklyn, NY

- Delivered A/V solutions for 50+ campus events annually, achieving excellent customer satisfaction scores.
- Authored technical guides and FAQs, streamlining user support processes by 20%.
